## OPPONENT DE LANE...

- Claims to be a resident of the East Ward all his life, but the truth is that he moved out of the East Ward after losing the 1968 election and lived at 242 Davey Street, Bloomfield.
- Ran for political office in 1966, 1968, 1970 and 1974 being soundly defeated each time ... during this period, however, he never appeared at even one Council meeting to discuss any of the important issues.
- Is a life-long republican whose brother is head of the republican machine in the East Ward ... he has supported Nixon and has worked to defeat President John F. Kennedy and Congressman Peter W. Rodino.
- Does not take part in Community activities and speaks out only at election time.
